CITIZEN

Safer label printing with self-protective housing.

Safer. Cleaner. Printers.

Self-protective housing and disinfectant ready

The CL-H300SV was not only designed to withstand the harsh chemicals of disinfection products but to stop bacteria in it's tracks too. The technology within the casing and the printer itself has an SIAA mark fulfilling ISO 22196 which further reinforces that it is engineered to deliver effective results against bacteria growth and are designed to the highest industry standards.

Compact

The small footprint of the CL-H300SV makes it a perfect printer for tight spaces but still allows labels up to 4.5 inches wide to be printed on a 5 inch media roll.

Connected

The CL-H300SV provides users with flexible connection options including USB as standard with optional Bluetooth, Wireless LAN, Ethernet and USB Hosts + LAN interface cards.
