CITIZEN

Two-inch label printing in a portable and rugged design

2-inch labels and receipts

Simple design

The CMP-25L printer is designed like all Citizen printers to be simple to use and easy to operate.

Intuitive operation

Easy usability combined with the durable, strong plastic case means our printers keep running and running.

Long battery life

Designed for performance in mind the CMP-25L has up to 48 hours of single-charge battery life.
