CITIZEN

# 3 inch mobile receipts and labels

## Handles labels and receipts

### Simple design

The CMP-30II printers are designed like all Citizen printers to be simple to use and easy to operate.

### Intuitive operation

This, combined with the durable, strong plastic case which is designed to take the occasional knock, means our printers keep running and running.

### High capacity media rolls

The CMP printers can accept media rolls with a diameter of approximately two inches. In addition, the CMP-30IIL model supports label printing as well as receipts via the integral label gap sensor.
