Two-in-one label and receipt printing

Flexible POS labels

Label and receipt printing.

Supporting both label and receipt printing up to 200mm and 300mm per second in respective modes, the CT-E651L is the perfect solution for applications where printers need to be multifunctional.

Low space requirement

In retail, the compact footprint fits perfectly beneath all-in-one retail systems or alongside a cash drawer - after all it is the same height.

Completely connected

Add to that, Bluetooth™ and WiFi™ interface options for great connectivity.
