# Classic POS, reimagined.

High performance, top-exit POS printing.

## Customisable LCD display

With the ability to add company logos and scrolling messages, the POS printing experience can be personalised to any business' requirements. Printer managers can programme the printer to display specific messages to make everyday operation even easier – low paper warnings, error messages and even instructions on how to order more receipt rolls – whatever the user deems relevant to their printing processes.

## In a hurry?

With 500mm/sec. print speed the CT-S801III is the fastest top-exit POS printer in the market.
